### DESCRIPTION and MINIMUM QUALIFICATIONS

An ASE appointed as a Teaching Assistant is assigned responsibilities for the term of the appointment that include, but are not limited to the following duties: attending the assigned course, conducting section meetings, holding regular office hours, reading and grading student papers, homework, and examinations, drafting narrative evaluations in a timely manner, etc. Specific responsibilities for individual courses are available from the faculty supervisor, college, or department

The minimum eligibility qualifications for an ASE assigned as a Teaching Assistant are: registered UCSC graduate student at the time of employment and good academic standing.

An ASE appointed as a Teaching Fellow is responsible for the conduct of the entire instruction of a course

under the general supervision of a faculty member including the preparation of student narrative evaluations. The ASE is also responsible for other “normal” teaching-related duties, i.e., holding regular office hours, being available to advise students, attending faculty meetings/orientation, etc.

The minimum eligibility qualifications for an ASE assigned as a Teaching Fellow are: registered UCSC graduate student at the time of employment, formal advancement to candidacy for the PhD prior to the beginning of the appointment, good academic standing, and approval of the divisional dean (s) and applicable Senate committees.

An ASE appointed as an Associate-In is responsible for the conduct of the entire instruction of a course including the preparation of student narrative evaluations. The ASE is also responsible for other “normal” teaching-related duties, i.e., holding regular office hours, being available to advise students, attending faculty meetings/orientation, etc.

The minimum eligibility qualifications for an ASE assigned as an Associate-In are: registered UCSC graduate student at the time of employment, good academic standing, and approval of the divisional dean (s) and applicable Senate committees.

## EXCEPTIONS

Exceptions to the minimum eligibility qualifications for each position may be made at the sole discretion of the University.

## APPLICATION INFORMATION

Students interested in ASE positions within the Physical and Biological Sciences and the School of Engineering should contact the department manager for application procedures. Students interested in all other ASE positions should contact either the department manager or Graduate Studies for application procedures.
