Meet the Admin Series
Dean of Students/Campus Life

Cliff Golz, Assistant Dean of Students
Lucy Rojas, Assistant Dean of Students
Monday, April 18, 2016
The Dean of Students coordinates and directs educational, recreational and social programs and services by:

- Advocating and supporting students in distress to help students overcome challenges and move successfully toward graduation
- Educating students on community standards and holding students accountable for policy violations in an educational and restorative format
- Advocating for students in hate-bias process, grievance process, Title IX investigation & conduct process, etc.
- Engaging with student leaders
- Providing social programs and activities to help students connect
Slug Support

Advocating and supporting students in distress to help students overcome challenges and move successfully toward graduation

Meet the Team:
- Mariah Lyons, Slug Support Manager
- Erika Pappas, Slug Support Manager
- Rosalinda Gallegos, Dean of Students Coordinator
- 2 MSW Interns from CSU Monterey Bay will join the team in 2016-2017
Slug Support Model

- Assessment with Slug Support Manager to identify areas of need. Development of intervention plan for any urgent needs. Development of long-term sustainable plan for issues that are more structural in nature.
- Connection to resources on and off campus through case management
- One to two follow up meetings to assess for effectiveness of referrals
- Direct financial assistance for food, books, therapy co-payments, emergency housing, etc.

Conduct & Community Standards

Educating students on community standards and holding students accountable for policy violations in an educational and restorative format

Meet the Team:

• Cliff Golz, Assistant Dean of Students – Conduct & Community Standards Administrator and conduct officer
• Rosalinda Gallegos, Dean of Students Coordinator and program coordinator for Student Conduct
• Lucy Rojas, Assistant Dean of Students – serves as special hearing officer
• Alma Sifuentes, Dean of Students – Chancellor has delegated the DOS responsibility for oversight of student conduct policies and procedures.
Behavioral Expectations and Standards

- Role of Conduct & Community Standards
- Student Handbook
- Student Code of Conduct
- Principles of Community
Student Conduct Process

• Developmental & Educational Process
• Retention and Student Support are critical goals in this process
• Due Process
• The Flow of the Process
• Family Education Rights and Privacy Act (FERPA)
• Impact of conduct on student’s future – within the university and beyond
Advocacy & Support

Dean of Students team members advocate for and support students through several campus processes and procedures, such as:

- Hate-Bias incident reporting and resolution
- Student Grievance process – See section 110 of the Student Handbook
- Respondent support services: support for students who are respondents in cases involving Sexual Assault and Sexual Violence Policy
Advising Student Leaders

Dean of Students team members engage with student leaders as advisers; the Dean of Students Office serves as the organizational liaison for the following student groups:

- Student Fee Advisory Committee
- Student Volunteer Center
- Student Union Assembly
- Student Organizations affiliated through the University Interfaith Council
Events & Programs

Dean of Students team members produce social programs and activities to help students connect:

- Pop Up Concert Series (Anderson .Paak)
- Holi Festival
- Last Lecture Series
The Dean of Students Office also serves as the Administrative oversight for the Campus Life organization, which includes the following services and programs:

- **Student Health Services**
  - Health Center, CAPS (Counseling and Psychological Services), SHOP (Student Health Outreach and Promotion)

- **OPERS (Office of Physical Ed., Recreation, and Sports)**
  - Wellness Center, Intramurals, Recreation, Sport Clubs, Physical Education, NCAA Athletics
Thank You!
