A small team of librarians who support ★ Graduate Students ★ Undergraduates ★ Faculty

In Arts, Humanities, Social Sciences, Science and Engineering
WE SUPPORT YOUR COLLECTIONS NEEDS

★ With joint purchase through the California Digital Library
★ With user initiated recommendations and direct purchases
★ With access to 400+ Primary & Secondary Source Databases and Resources

Available @ http://guides.library.ucsc.edu/az.php
WE SUPPORT TEACHING & LEARNING

By helping you make effective use of rich library resources through:

★ Assignment Design incorporating library resources and skills
★ Assessment of students’ information literacy skills
★ Tutorials on using Library Databases and Data Management best practices
★ Workshops on discovering research data, statistics, and vital content and organizing it.
