

REQUEST FOR GRADUATE APPLICATION FEE WAIVER

Applicants may request a fee waiver only after they have started the application for the current admission cycle. Do not submit a waiver until you have started an application.

I wish to request a waiver of the graduate application fee for the University of California, Santa Cruz because:

I have been receiving financial assistance based on need as an undergraduate student and I am unable to pay the application fee.

*Have the appropriate official from your undergraduate institution i.e. Financial Aid Officer, EOP director, etc. complete the financial aid information requested on the **second page** of this form.*

My present financial situation makes it impossible to pay the application fee.

You must include a letter stating your monthly personal/family budget, including any income and expenses, stating your reasons for requesting a fee waiver.
